FOR IMMEDIATE RELEASE

GUARDRAIL INSTALLATION ON I-10 IN BEAUMONT

Beaumont – Caltrans will begin work tonight to install guardrail on the shoulder of Interstate 10 in both directions from Sixth Street to State Route 79. The work hours are Monday through Friday from 8:00 p.m. to 6:00 a.m. with the outer lane closed to allow for road crews. The guardrail installation is an effort to continue safety improvements on I-10. The project is expected to last for about two weeks.

Motorists are reminded to drive with caution in all work zones – especially during nighttime work. For more information on mountain roadwork, please go to our website at www.dot.ca.gov/dist8 and go to "Press Releases". You may also call our Public Affairs office at (909) 383-4631.

SLOW FOR THE CONE ZONE!
